PROSECUTE FOR PERJURY

SAN FRANCISCO—In the trial here before the supreme court for the possession of the \$10,000 in the Sharkey-Fitzsimmons fight, the testimony of Australian Billy Smith, trainer of Sharkey, developed the fact that Earp had been "fixed" as referee. Lynch, Sharkey's backer, and Smith had talked of a referee but could not agree on any referee who would not "talk business." His testimony was corroborated by Geo. Allen, another of Sharkey's trainers. Witness said that Lynch told Sharkey in the knockout to put his hand on his groin and faint with pain. Lynch grew indignant and says was not within 50 feet of the ring when the blow was given also says he will prosecute Smith for perjury. Smith, he said, had asked for \$1,000 as trainer's fee for four weeks and was refused all but \$400, hence his anger.

THE BOLDEST YET

Six Men Held Up a Train
at St. Louis.

A Passenger Held Up Within
the City Limits—Quickly
Done.

A MOST DARING ATTEMPT

ST. LOUIS—The Iron Mountain fast
express outgoing, was held up one
mile from Union station within the
city limits by six masked men. It is
not known as yet whether the robbers
succeeded in securing any money
from the express car. One of the men
stood in the center of the track and
waved a lantern signifying danger
ahead. The engineer stopped the train
and no sooner had he done so than
two masked men jumped upon the
engine cab and presenting their re-
volvers told him to hold the engine
still on pain of death. Two other
robbers made for the express car while
the remaining two stood guard outside.
In less than fifteen minutes the whole
thing was over and the conductor hast-
ened to the nearest station.

The robbers had planned the job
well for within two minutes after the
robbery they had disappeared from
view and were lost in the crowds of the
city. For boldness the robbery has no
equal in the annals of train hold-ups
in Missouri.

The Discovery Saved his Life.
Mr. G. Caillouette, Druggist, Beaver
ville, Ill., says: "To Dr. King's New
Discovery I owe my life. Was taken
with a Grippe and tried all the phy-
sicians, but of no avail and was given
up and told I could not live. Having
Dr. King's New Discovery in my store
I sent for a bottle and began its use
and from the first dose began to get bet-
ter, and after using three bottles was up
and about again. It is worth its
weight in gold. We won't keep store
